TO THE EDITOR OF THE PRESTO PRESS

Our hats are off to the Mattapoisett Highway Department, for the great job, Manuel Nunes and his men have done during yesterday's snow storm (Saturday), and with little consideration by some of our residents, who insist upon leaving their autos out on the streets instead of in their yards..

Our hats are also off to the Layports of Ship Street, and to the Highway Dept., for the barriers at the head of Ship Street and Shipyard Lane for the safety of the children using Ship Street to sleigh on, and the Mattapoisett Police Department who are aiding in this effort.

SEPTIC TANK - CESSPOOL CLOGGING CAN NOW BE PREVENTED!

LIVINGSTON, N. J. — An amazing bacterial discovery that prevents clogging of septic tanks and cesspools with but a single, safe and easy-to-use yearly treatment, has been developed by the FX-Lab Co., Livingston, N. J.

Sluggish systems and drainfields also can be restored to normal by fast acting bacterial cultures. They are also recommended to new home owners who can use them as a "starter" to seed their septic tanks and cesspools.

These proven FX bacterial organisms, known as FX-4 for septic tanks, FX-7 for cesspools, and FX-11 for sluggish septic tanks and cesspools are available

"CAROUSEL" IS ON THE WAY

All auditions have been completed, the cast is chosen, rehearsals are in full sway, and after many hours of hard work, confusion (and a little bit of heartbreak), the students of Old Rochester Regional High School will have their presentation of the Rodgers and Hammerstein musical, "Carousel", ready for your approval and enjoyment. Production is scheduled for around the middle of March.

For all who have seen the previous performances of Oklahoma! and Pajama Game, and enjoyed them so much, this must be real good news to know another "Night on Broadway" will soon be in Mattapoisett again.

The production will be produced and coordinated under the direction of Mr. Zavan Mazmanian, school music director.

Once again, Mrs. Aurora Anderson will be stage

WE ARE SORRY

We prepared for a large demand last Friday. However, your response to our ad was such that we were overwhelmed with orders. We did everything in our power to take care of customers but, early in the supper hour, we were swamped. Finally, we had to stop taking orders. We had stocked a large supply of fish, clams and potatoes. We never dreamed that we would run short. We went through 500 pounds of potatoes and ran out. You were wonderful . You were patient, helpful and many of you accepted double orders of fish when the chips ran out. Many called and we couldn't take their orders.

THANK YOU !

Thank you, first of all, for your response. We are going to do everything we can to expand our facilities to take care of everyone. We do appreciate your confidence in us. Thank you for your comments. Those, who we did serve, were very pleased with the quality of their food. We're using a twelve egg batter and it's delicious. We are cooking fresh to the individual order and this is the only way to capture all of the flavor of the seafood. We intend to maintain the same high quality, the same ingredients but we're going to work on a much better system and more working area so that we can serve everyone well. Please try us again. We hope to have better service this Friday and will do the very best we know how until such time as we have increased our capacity to take care of all - efficiently.
